NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

DECLARATION OF RECRUIT.

I, James O. Edkins, desiring
to VOLUNTEER as a Soldier in the Army of the United States, for the term of THREE YEARS,
Do Declare, That I am 18 years and 6 months

sentence of a court-martial, or by order before the expiration of a term of enlistment; and I know of no
impediment to my serving honestly and faithfully as a soldier for three years.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—of the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *1*, *2*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1206 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and opportunity to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward the papers to the regimental, detachment, or post commander. This will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Respectfully. Refer'd to the Pro.
Mar. Genl: It will be seen that Prout
has been a soldier - the book offered
for sale is decidedly disloyal in
itself - would suggest the propriety
of having Mr. Gray, from whom it
was purchased show up the contents
of his shop. This volume may not
be the only one there.

- NOTES.
1. Three copies of this List will be made out on the last day of every month, by the Commanding Officer of each Regiment, or other independent organization, both of Regulars and Volunteers; one copy to be retained, one to be sent to the Provost Marshal General, at Washington, D. C., direct, and one to be sent through the usual military channel to the Adjutant General, U. S. A.
 2. The amount of any extra pay for which the soldier may be mustered, *ex. gr.*, as Acting Hospital Steward, as Saddler, &c., and which may be still due him, must be carefully noted.
 3. In the column headed "BOUNTY PAID," must be entered the whole amount *hitherto paid* him; in that of "BOUNTY DUE," the whole amount yet due him.
 4. Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage done to each, specified.
 5. When stoppages are due under sentence of court martial, a transcript of the same must be entered here, and the amount already stopped must be carefully stated.
 6. A careful statement of the man's Clothing Account must be made to date, and the amount due to or from him must be precisely stated.
 7. This blank will be used for both Regulars and Volunteers. For Regulars the column "Mustered in" will be left blank, and the caption changed to suit the facts. Should more room be required for remarks, a sheet of paper may be pasted on the end of the blank.
 8. Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place.
 9. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.

Respectfully returned to
Lieut Dickey.

On the Muster roll of
Field & Staff of 8th Ala
Vol. for Jan & Feb 1863,
Amos L. Whitt is re-
ported 1st Lt. & Asst. Surg-
eon, and present for
duty. "Appointed Asst.
Surgeon Nov 25. 1862".

On all subsequent rolls
he is reported as "present
for duty". It appears from
an individual Muster-in
roll that he was must-
ered into service as an
Asst. Surg. on the 11th
day of March 1863, by
C. J. Dickey 1st Lt. 13th
Inftry, Mustering Officer.
This Officer cannot be

mustered in to date
previous to the day on
which he joined his
Regiment for duty.
The muster for Jan rolls
do not show that date.
But it appears to have
been some time in Jan
or Feb 1863. and this
will be authority to
make the muster to date
on the day the Reg-
imental records show
him to have joined the
Command.

By order of the
Secretary of War.
Thomas M. Dineen
Asst. Adj. Gen.

Headquarters 9th Mo. Infy.
Walnut Hills, Miss., June 18, 1863.
Brig. Gen. L. Thomas
Adj't Gen. Washington, D.C.,
Sir:

I would respectfully request that my muste-
re as an apt Surgeon of the 9th Mo. Infy be ante dated to the
14th of December, 1862 (date of receipt of Commission), to enable me
to draw pay which is justly due me.

I was commissioned by Gov. H. R. Gamble as
Apt Surgeon of the 9th Mo. Infy, to rank from November 25, 1862,
& rec'd the commission on the 14th of December, 1862, together with
an order from my Col. to join the Regt in the field immediately,
which I proceeded to do at once.

Meantime, while I was de-
layed at points on the Mississippi I exerted the most strenuous
efforts to get mustered, but failed. While at Young's Point I several
times mentioned the subject to Gen. Sherman, who finally to meet
my case, & that of others, appointed Lieut. C. J. Dickey, 13th Reg.
Infy, a special mustering officer, who mustered me into the service
March 14, 1863, but with the understanding, on our part, that the
Paymaster would be governed by the date of commission, or at
least the acceptance of it. As an act of unjust justice I
would respectfully ask that my request be granted.

I have the honor to be,

Very Respectfully, Your Obedt Servt,

Amos L. Hunt

(Atty Gen. 9th Mo. Infy.)

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Clerk. S. S. 79.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as 4, 3, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edn. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of them certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

I CERTIFY, that I have carefully examined the said James E. Gamble of
 Captain Morgan's 8th Company, and find him incapable of performing the duties of a soldier
 because of a wound in the shoulder & left arm, at the battle of Ft. Donelson on
 the 15th day of April, 1862, incapacitating him for doing so long as
 he had a wound in the arm. I say that with all his care
 & attention, I have been unable to find a wound in the arm, but I have found a wound in the
 arm, which is the cause of his disability.

ART. 93. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

Par. 132. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 93th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of —, late of company (—) — regiment of —, who died at —, the — day of —, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 133. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 134. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of —, late of company (—) — regiment of —, who died at —, the — day of —, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

FINAL STATEMENT

Private James M Gray

8th Reg't of Missouri Infly

VOLUNTEERS.

Med. Brig. 1st 1865

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his family must be entered on the muster roll on which the Soldier's descriptive list, &c., is reported, as well as on the final statement. If the amount cannot be collected from the United States.

NOTE 7.—This blank will be filled for drafted volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the 2d Auditor, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

War Department,
Adjutant General's Office.

Washington, July 1st 1863.

Sir:

In reply to your letter requesting a Descriptive List of Samuel J. Gross, a Capt. in Company "A", 3rd Regiment Me. C. Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office; which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Samuel J. Gross, a Capt. in Company "A", 3rd Regiment of Me. C. Volunteers, 1st day of Jan. 1863, at the town of P. H. State in the State of Me. C. and mustered into the service of the United States on the 2nd day of Jan. 1863, in the State of Me. C. by Lt. Lecky to serve for the period of 3 years or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the March & April 1863 that he was last paid by Meigs Griffin to the 31st Jan. 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if claimed at all, from his Company Commander.

REMARKS.

An the above Muster Roll (last copy) is a copy of "Person of War and Peace" 24th Dec. 1863.

Very respectfully,
Your obedient servant.

To J. L. & Bonville
(Capt. H. L. A.)
Bent's Barracks, Me.

At Mustering Office July 19th 1863
Edward S. 40. 28th bounty of pay from 31 Jan 1864
The acct must be drawn
to three months extra pay
must be obtained
of the Paymaster
of the
Adjutant General.

W. D. Chubb
Adjutant General.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statement should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statement, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary in a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that this list is incomplete or "partial."

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.
